Attend the All-Company Meeting to learn who will be the Volunteers of the Year!

Christmas Baskets

Do you have a few hours on December 16th? If so meet at Avon Elementary 9 a.m. Listen to what Jason Bigsby from Ludwig's had to say about helping with the Thanksgiving Baskets. "On November 18, in the spirit of Thanksgiving, over a hundred people in our community came together in order to help many families in need. We assembled baskets of food to provide them with a nutritious and memorable Thanksgiving day meal. In just a few hours, we were able to assemble and deliver hundreds of baskets to families throughout the Vail valley. Seeing how happy and thankful they were made the experience incredibly rewarding."

Read Any Good Books Lately?

Red Sandstone School is looking for volunteers to help with their "One on One" reading program. They need 50 people to help out for one hour per week, reading to the 100 kids enrolled in the program. Please give them a call if you are interested in making a difference in the lives of our younger population. If books made a positive impact in your life, then this is the perfect way to open up the world of reading to others. The times most needed are from 10-11 a.m. and 1-2 p.m. Please call Amanda at 471-4168 or 949-7090 if you are interested.

Everyone Deserves a Happy Holiday!

Tara from the Spa & Toni from Accounting have identified three families in our valley who are in need this holiday season. Won't you dig into your closet or purchase just one more item on your Christmas list for someone who is a little less fortunate?

We will be collecting gifts in Human Resources and will have a drop spot at the Holiday Party on Dec. 18th as well. Another great idea is to give the whole family a gift card to Wal-Mart, City Market, Costco, or any other store. If you are willing to help wrap and deliver the items, please call Tara at x5405 or Toni at x5448.

So, here are the specifics on our Adopted Families.
