

# COMMUNITY UPDATE

## FAMILY ADVENTURE RACE

Sunday, June 4th from 9 a.m. - 2 p.m.

You can help the Gore Range Natural Science School by: 1) canvassing the crowd on Friday and Saturday to get families to sign up for Sunday's race, or (2) working at the registration table, as a station attendant, or as a course moderator on Sunday. If you wish to hear more specifics, be sure to track down Greg Lestikow from Fine Gardens or call him at #940-2107.

## HABITAT FOR HUMANITY

June 27th, 8 a.m. - 4 p.m.

Do you know how fun it is to help build a home? Why not find out!

This is the first of several home builds that the Sonnenalp will coordinate throughout the summer. Please sign up on the Community Involvement Board outside of the cafeteria. Group sizes are limited to fifteen people. Transportation can be arranged if necessary. We plan on meeting at 8 a.m. at the Sonnenalp if you need a ride. (We aren't sure yet if we are going to Edwards or Eagle). If you have any questions, speak with Jay in Room Service.

## SONNENALP MET THE WILDERNESS!

Girard Miller, Felipe Cruz, Jason Noring and Jerry Olson were all happy to help the Meet the Wilderness get their Teams Challenge Course in Maloit Park ready for the summer operations. They joined hands with a dozen other folks to stain the wooden structures, put down wood chips, clean, and help set up some new course stations. Our staff had a great day of fun out in the sun, and felt the rewards of giving their time to a local non-profit. On the left, you see Jason and Felipe wielding paint rollers with Tom McCalden, the grant writer who seeks funding to send kids on team building events.

## MANY, MANY THANKS

### TO THE COMMUNITY PRIDE I-70 CLEANUP CREW

We had a TERRIFIC turnout this year: Jason Maybee, JP Quidore, Gerard Miller, Felipe Cruz, Jeff Hulse, Anthony Spine, Kevin Thellman, Laurence Shiner, Tom Mumpower, Paul McGinley, Michelle Garner and her husband Allan, Erik Gruenwald, Jerry Olson, Angie Bolich, Melissa Dallmann, Ben Irwin, Oliver Nunnenmacher and his significant other Sarah Ackeroyd, Kathy Roseberry-Duffy, Mr. Faessler, Michelle Gennett, Mehaboob Sayyad, Thad Ellis and his girlfriend Amy Harris, Claudia Resendaritz, Albert Ulrich, and Jake Williamson. Doesn't it feel great to be a part of 500 volunteers cleaning up 50 miles of highway, and then celebrating afterwards at the 4 Eagle Ranch?

Tom, Mr. Faessler, Angie, Felipe & Jerry with their bags of unsightly trash. How can people litter in such a beautiful place??

There we are...working hard to make our town a pretty place!

Some of the employees even found cool souvenirs: a hard hat, license plate, and an EASY button like on the Staples commercial! This truly was an amazing and fun community event. Be sure to sign up for upcoming events like the Vail Pass Cleanup in June, the Bike Trail Cleanup in July and the Eagle River Cleanup in September!
