

Community Involvement

The Vail Valley Salvation Army has many volunteer opportunities coming up soon.

They are looking for a multitude of people to:

- Coordinate bellringing of a particular store or location
- Work a bellringing shift
- Pick up money from the locations, count it and deposit it
- Work at the Holiday Cabin
- Help with Public Relations for the Christmas concert
- Assist over six weeks, from mid-November to Christmas to answer phones, return calls or do data entry if possible.

Tsu Wolin-Brown explains, "Vail Valley Salvation Army could not do what we do without the help of committed volunteers and such a giving, caring community. Many thanks for all you do!"

If you are interested in helping out, please contact
Tsu @ 926-3704.

The Community Involvement Committee is planning on adopting a family or two.

We will be collecting new or slightly used toys, coats, hats, gloves, scarves, and non-perishable food products from now until mid December.

ONE CAN, TWO CAN, THREE CAN, YOU CAN... SUPPORT THE FOOD DRIVE!

Items needed: canned goods such as soup, fruit, vegetables, baby food, pasta sauce, beans and peanut butter. Unopened packaged pasta and dry goods.

Please drop off items in Human Resources by November 15th.

The Community Involvement Committee needs your great ideas. If you are interested in joining this group, or know of any events for good causes, see Kim in HR.
