We are proud to announce the initial launch of our first-ever online store:

1. Please visit the shop at [www.sonnenalp.com](http://www.sonnenalp.com).
2. Please tell our guests about this store so they can bring home a touch of Sonnenalp, such as our china, linens, bath robes, spa products, golf shirts, raclette, etc.
3. Over the next couple of weeks we will continue to alert the world to our online store via press releases, emails, newsletter etc
4. We also will be fine tuning the site as well as adding more items for our guests to enjoy.

## PANDEMIC: prevalent throughout an entire country, continent or world.

A great big thank you goes out to **Erik Hyatt** (Activities & Swiss Chalet) who participated in the mock emergency response exercise put on by the Vail Valley Medical Center. They practiced how to react during a pandemic flu outbreak. Erik arrived on site to learn that his job was to play the role of a 32 year-old female who had had a cough for six months. Those of you who know Erik can only imagine the fun he had with this assignment! In fact, he had such a good time that he strongly encourages all employees to get out there and volunteer!
