## Eagle County Volunteer Center Recognizes Sonnenalp Employee

Greg is the quintessential employee when it comes to actively supporting the Sonnenalp's Community Involvement Initiative. Whenever there is a need, Greg is the first to raise his hand and sign up for the cause. We are very proud to have him as a Team Leader in our corporate volunteerism campaign!!! He has twice been honored with the Sonnenalp Volunteer of the Year award.

Greg's dedication has been thorough and ongoing. Over the past few years, he has organized teams of employee volunteers for: (1) Casino Night benefiting pre-schools throughout the Valley, (2) the Great Family Adventure Race for Gore Range Natural Science School, (3) and the Spel-labration event for The Literacy Project. He has also actively helped with: (1) the Sonnenalp Bicycle Classic raising money for ecoTrails, (2) the Scramble Against Cancer raising money for the Shaw Regional Cancer Center, (3) the cleanups of the Sonnenalp's adopted portion of the bike trail, (4) cooking meals for the First Descents Camps for kids with cancer, and (5) participating in the Evan's Chaffee Kickball tournament for charity.

**Colorado Cares Service Award**  
**Corporate Volunteer of the Year**

The most amazing advantages that Greg has offered to our initiative are his bilingual language skills and his perseverance in encouraging our Spanish speaking employees to participate in volunteer activities. His enthusiasm is extremely contagious. Congratulations, Greg, on this great honor!

And, thank you for each and every single hour you have contributed in the name of the Sonnenalp's Community Involvement Committee.

See you this Sunday if you are planning to volunteer for the 21st Annual Sonnenalp Casual Bicycle Classic. Call Michele Davis at x5700 for details.

See the calendar on page four and details on page five for upcoming volunteer opportunities in September, including the ever popular Eagle River Cleanup on Sunday, September 10th.

In heartfelt memory:
